

Virtual public exhibition

Displaying proposals for the future of Stanninghall Quarry.

Tarmac, who own Stanninghall Quarry, south of Horstead, are hosting a **virtual public exhibition** to get feedback from residents about proposals for an eastern extension to the site.

Due to the Covid-19 pandemic, the public exhibition will be held online. However, you will still be able to review our proposals, talk to the team and have your say.

The consultation will be open for feedback for two weeks, from **Monday 21st September** until **Sunday 4th October 2020**. Any information displayed will still be available to view after the consultation period.

You can also sign up for our dedicated Q&A sessions which will be taking place via the platform, between 6pm and 7pm on:

- Tuesday 29th September; and
- Wednesday 30th September.

Find out more information by visiting tarmac-stanninghall.virtualexhibition.info or by scanning the QR code.

If you do not have access to the internet, physical copies of the online information will be available from 21st September at:
